70 Years... For 70 years Warren County has been lucky enough to enjoy one of the Best Fairs in the state. To be successful for this long requires a commitment, and the commitment the Fair Board had in 1954 is the same commitment the board has now. To serve our community.

Since 1954 we have come together year after year to celebrate life in Warren County, and year after year the Fair Board has remained determined to produce an unrivaled agricultural exposition for the citizens of Warren County.

As we look back on the last 70 years we are also looking ahead, planning, preparing for the future and hopefully ensuring the success of this fair for the next 70 years.

My sincerest Thanks goes out to my fellow board members and volunteers for their hard work, dedication and service to this community.

State Aid to Fairs: From the funds appropriated by the General Assembly of the State of TN and for the purpose of aiding agricultural fairs in supplementing the payment of agriculture premiums: namely in Adult and Junior Agricultural Exhibits, Livestock, Poultry, Women’s Work and other Agricultural Exhibits the Warren County Agricultural a & Livestock Fair Association has been allotted its proportionate share by the Tennessee Department of Agriculture “for the purpose of further encouraging fairs to excel in their usefulness to their respective areas, a Merit Award provision was also Made in the appropriation It is hope that the WARREN COUNTY A & L FAIR can have an exhibition sufficiently creditable to warrant its receiving one of the special Merit Awards in addition to its allotment of State Aid.”

Warren County A & L Fair Board of Directors would like to recognize the assistance and contributions offered throughout the years by the Warren County Commission. When the fair

was organized in 1954, the court was instrumental in assuring its success. Thanks to the court’s support, the fair enjoyed sustained growth and progress throughout the years. The Fair Board has been repeatedly encouraged by the spirit of cooperation typified by our county magistrates. Additionally, the continued expansion, maintenance and enhancement of the county’s fairground facility will be assured for the enjoyment of future generations due to the court’s diligence and foresight. The goal of the Fair Board, with the cooperation of the County Court, is to provide Warren County with an enjoyable, vibrant, source of entertainment and a public arena in which to display the diversity and talent of their people.

***ATHA JONES DAVENPORT ACHIEVEMENT AWARD**

Given in memory of Mrs. Ulus F. Davenport to honor the individual best demonstrating the ideals Mrs. Davenport exemplified in her effort to make the W. C. A & L Fair the best fair possible. Mrs. Davenport was a volunteer fair worker from the first fair in 1953 til her death in 1974. However, her efforts were not limited to work during the fair. She continually tried to have as many items entered for competition as she could prepare, and entered items in numerous categories. It was her belief that increasing the quantity and quality of entries would make the Fair better each year. Her love for young people who were learning to prepare items for the fair led her to work in the Youth Canning Department. Therefore, this award will be given in the Youth Canning Department according to her beliefs by Atha Jones Davenport. The award will consist of a plaque presented annually to the individual. A perpetual plaque listing all winners of the award will be maintained and be displayed annually at the Warren County A & L Fair.

ENTERTAINMENT NIGHT

Thursday, Sept 12 - 7:00 pm @ the Clifford McClain Grandstands

Sammy Kershaw

Since his debut on the music scene in the early '90's, Kershaw has remained one of the most consistent power hitters in country music—both with a chain of major hit records and sell-out touring schedules. Sammy Kershaw's plan for country music is reclaiming its roots and recapturing the spirit that made it great

"Man, for someone like me who had George Jones' music imprinted in my DNA before birth, the last few years have been rough as a fan of country music," noted Kershaw candidly in a recent national interview. "Country music is not a formula...it's a music with its own soul... and I'm all about saving that soul!" Kershaw's current album "Honkytonk Boots" promises to be a much anticipated first step in that plan of salvation.

For the newest Kershaw project, the singer's soulful sound and Cajun vocal kick is teamed back-up with the genius of producer Buddy Cannon—whose efforts, like Sammy's, have lined his walls with platinum. Sammy's vibe about his latest studio venture has all the earmarks of a proud father talking about his new arrival. "In music, everything is timing. I knew when we were in the studio working on the new album that we had something radio and fans are ready for...the feel of the album is a return to the kind of country music I, and a lot of other people, have missed."

Powerful words from a man who has picked, written, and sung a lot of hits. Often referred to as the "heir apparent" to the legendary 'voice' himself—George Jones—Sammy Kershaw helped make the '90's a shining decade for country music. It's a comparison not lost on Sammy, who grew up in the Cajun country of Louisiana on a diet of crawfish and country music. The oldest of four children, the tragic loss of his father matured him even faster than the clubs and honky tonks he was performing in at 12 years old. He speaks openly today of years spent battling substance abuse and addictions.

"It's not a period of my life I'm proud of but I do talk about it to encourage kids not to follow in my footsteps," Kershaw recently noted. Helping others is a subject close to the heart that beats within what might often appear to be a tough, macho exterior. Sammy Kershaw is, in fact, a softie when the subject turns to kids. If proof were needed it stands in his hometown of Kaplan, Louisiana. There Sammy has established the Sammy Kershaw Foundation. Its outreach has extended through donations so far of more than 2 million dollars in aid to children and child related charities. With projects that extend from granting wishes through "Make A Wish Foundation" to establishing camps for crippled children, the foundation exists to fulfill Sammy's simple goal of improving the lives of children.

In the course of breaking into the ranks of stardom in country music, Sammy Kershaw has made contributions to more than just the charts. His platinum albums were propelled into the records books by hits such as "She Don't Know She's Beautiful," "I Can't Reach Her Anymore," "National Working Woman's Holiday," "Love Of My Life," "Cadillac Style," "Don't Go Near The Water," "Haunted Heart,"...and many other milestones.
